OFFICE ORDER

Dated: 13-06-2022

As per THOA Act, registered medical practitioner of the hospital having Intensive Care Unit facility, in consultation with transplant coordinator, if available, shall ascertain, certification of brain stem death of the person in Intensive Care Unit, if organ donation & subsequent retrieval is to be performed.

In order to streamline the Brain Stem Death Declaration process at SGPGIMS & in concurrence with the Transplantation of Human Organs Act & its Amendments thereof, Brain Stem Death Certification for potential BSD patients in all the ICUs of SGPGIMS and Apex Trauma Centre is being made mandatory, so as to augment the deceased **Organ Donation** & subsequent **Harvesting**.

In the view of the above, you are urged to perform, Brain Stem Death Declaration of potential patients in all the ICUs of SGPGIMS & ATC.
